Barrington Homes Presents This Spectacular Spec Home!

The modern farm house exterior design features vertical board-and-batten Hardie Plank siding, cultured stone, 8-foot tall double iron front doors, metal roofs, and a governor's driveway.

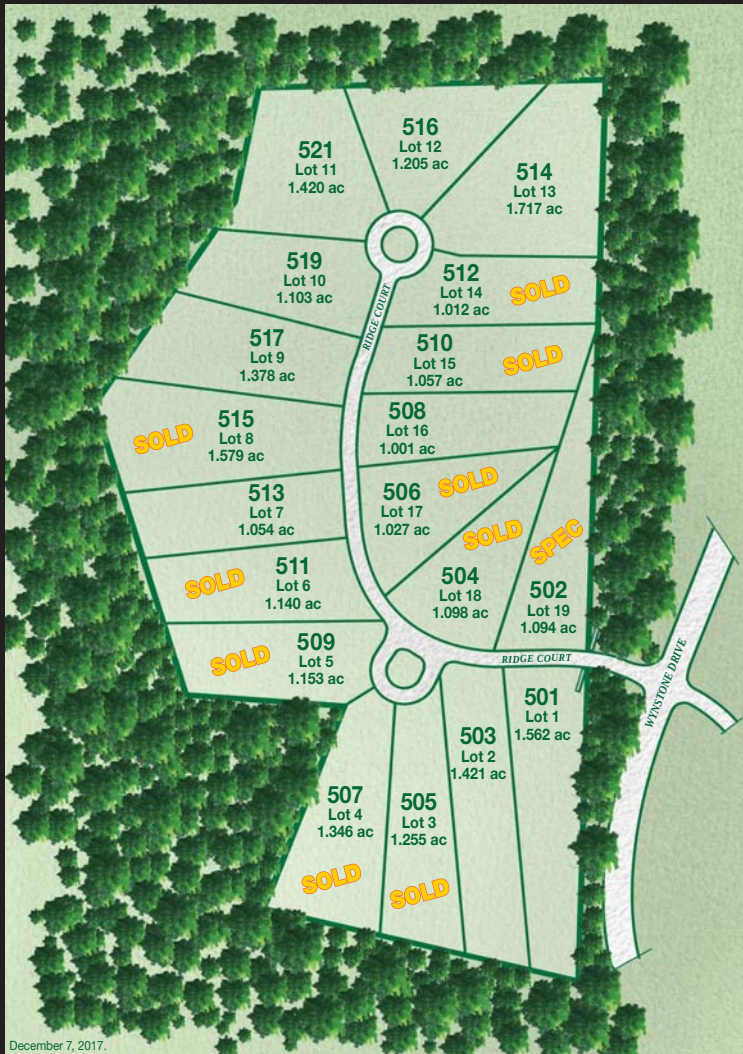

The fabulous kitchen with cable accents and cathedral ceiling is equipped with a 48-inch professional range, two dishwashers, a main apron sink and apron prep sink, custom hutch area, walk-in Narnia pantry, two islands, and stained ceiling beams. There is also a bar area between the kitchen and the family room that will showcase two climate-controlled glass wine cases with wine racks and LED lighting.

The large owners' bedroom boasts a fireplace flanked by a coffee bar and bookshelves and also an owners' deck overlooking the beautiful backyard.

Finally, the rear exterior of the home has an expansive 32-foot by 14-foot covered patio area that includes four skylights in addition to another patio area with a beautiful built-in outdoor kitchen and fire pit that will make you want to spend most of your time outside, entertaining guests and simply enjoying the outdoors.

The pictures on this page are a representation of the builder's work and not necessarily a reflection of how the interior of 502 Ridge Court will be finished.
